PREFACE.

In the compilation of the revised Gazetteer of the Bahawalpur State, Part B, the procedure prescribed in the Punjab Government letter No. 670, dated 8th May, 1903, has been followed, and the various tables have been prepared according to the revised instructions and amended forms received from the Director of Land Records, Punjab, in his circular letter No. 2112—1-29, dated 30th August, 1928, and subsequent suggestions made by him in his letters No. 258, dated 14th January, 1933, and No. 689, dated 10th February, 1933.

Efforts have been made to prepare all the tables as far as possible to keep uniformity in accordance with the latest instructions, and much time and labour had to be spent on lots of new calculations.

The following points may be mentioned to elucidate the information contained in various tables of the Gazetteer :—

(1) In tables No. 2, 3, 4 and 5, the information regarding temperature and rainfall has been supplied according to the figures of the Medical and the Sutlej Valley Project (Canals) Department, as no meteoro ogical record is available for the Bahawalpur State.

(2) Some changes have occurred in the names of various Tahsils and Nizamats (Districts) since the publication of the Gazetteer of 1913 :—

Tahsil and Nizamat ..	Nowshehra now Rahim Yar Khan.
Nizamat	Minchinabad now Bahawalnagar.
Tahsil	Sadiqabad now Ahmadpur Lamma.

(3) The following tables are left blank for the reasons given against them :—

No. 9 ..	Omitted from the Gazetteer as per instructions of the Director of Land Records.
No. 17-A ..	Information not available.
No. 48 ..	Information not available.
No. 45 ..	No District Boards arrangement exists in Bahawalpur State.

(4) *Table No.* 24.—The Irrigation figures had to be shown in two different statements :—

(*a*) From the year 1920-21 to 1931-32, irrigation on old inundation canals.

(b) From the year 1928-29 to 1931-32, irrigation done by the new Sutlej Valley Project weir-controlled canals system which took the place of the old inundation canals in Tahsils Minchinabad, Bahawalnagar, Khairpur, Bahawalpur and Ahmadpur, including the new colony areas.

(5) In table No. 33 has been added a list of the Ruling Princes of the Bahawalpur State since the period of the rule of this Dynasty commenced in the year 1729-A.D.

BAHAWALPUR : RAFIQ AHMAD,
